## **360clean Enters New Markets in South Carolina, North Carolina and Tennessee**

CHARLESTON, SC, JULY 1, 2009: 360clean is entering new markets and looks to replicate their success across the United States. The original 360clean was started by Barry Bodiford as a part-time venture in 2004. While working full-time as a pharmaceutical sales representative, Barry spent the evening hours formulating what has become a successful franchise concept.

“From the beginning, I knew we wanted to do something on a larger scale with 360clean. From day one, we documented our processes and more importantly we discovered the processes that are successful in our industry. At the same time, I can tell every franchisee who joins our company that I have personally walked in their shoes as they launch their new 360clean business,” said Founder & CEO Barry Bodiford, “but it’s been fun and you learn a great deal about yourself through the education business ownership can provide.”

360clean has Area Representatives who are opening Area Offices in Greenville, SC, Spartanburg, SC, Asheville, NC and Nashville, TN. Additionally, the Charleston, SC office will now offer services and franchises along the South Carolina Coast from Hilton Head, SC to Myrtle Beach, SC.
