## **360clean Franchisees Assist Surgery Center in Receiving Highest Accreditation**

*Physicians Eye Surgery Center of Charleston received the highest accreditation level from the Accreditation Association for Ambulatory Health Care (AAAHC) with preparation assistance from 360clean.*

CHARLESTON, SC, APRIL 14, 2010: The Physicians Eye Surgery Center of Charleston recently received the highest accreditation term available from the AAAHC. Anthony Brown and Virginia Prioleau, 360clean franchisees based in Charleston, SC, are responsible for the daily janitorial services that take place at the surgery center. Additionally, Brown and Prioleau assisted in the preparation that was required for the survey performed by the AAAHC. "This accomplishment further solidifies the advantages of facility managers and owners choosing 360clean as their janitorial service provider. Not only do we offer a niche service, but our franchise owners are highly trained business people," said Barry Bodiford, Founder & CEO of 360clean.

360clean specializes in cleaning healthcare offices and other commercial offices that desire to have a clean, yet germ free environment. This is accomplished through their JaniMed system, a specialized cleaning process and system that include the use of disinfectants and equipment that is focused on cleaning to protect health.

Currently, 360clean is headquartered in Charleston, South Carolina and has janitorial service offices in Charleston, South Carolina; Greenville, South Carolina; Spartanburg, South Carolina; Asheville, North Carolina; Mobile, Alabama; Pensacola, Florida and Chicago, Illinois.
