360clean Announces First Franchisee For Western Carolina Area

CHARLESTON, SC, JULY 13, 2009: 360clean's expansion into the upstate of South Carolina and Western North Carolina is off to a fast start with the addition of Josh Halford as the area's first franchisee.

Halford recently attended a seminar at FranchiseMart in Spartanburg, SC and decided that 360clean is a great fit for his goals and objectives. "I believe 360clean has the potential to excel in the commercial janitorial industry because of the quality of people, products, and performance," said Josh Halford. "The support from the people involved with 360clean is amazing. You will be fortunate to find a company that has the high quality of the business that 360clean has. I am proud to be a part of 360clean."

"Josh Halford becoming a 360clean franchise owner is a great start for many people," said Barry Bodiford, Founder and CEO. "This was the first franchise sold by Curtis Harper, the new owner of the upstate South Carolina FranchiseMart location and this is our Area Representative's first franchisee for his area. There are a lot of great things happening in a short time for everyone."

The Western Carolina territory for 360clean is spearheaded by Tom Morris, an Area Representative. Halford will begin training at the end of July and he and his fiancée, Amber Nelson, will begin operating the business in August.
